Dear Hiring Manager,

I am writing to you out of interest for the position of Data Scientist.

I am writing to you out of interest for the position of Marketing Manager that I was told about by Penny Armstrong.

I can offer you the skills and experience I've gained from three years as a Marketing Manager at Blue Skies Marketing Solutions.

My experience with brand management, interdepartmental marketing initiatives, and video marketing techniques should make me ideal for the position. I will also bring to the table my experience managing a team of up to twenty people across different countries.

I understand that your new Marketing Manager is in charge of bringing Bloomingfields Marketing up to speed with the digital era. I would love to discuss with you how video marketing and brand management would play into this strategy.

Please find my resume attached if you'd like more details. I look forward to speaking with you during an interview. Please feel free to contact me at 213-444-8576 anytime during the day. Otherwise, I will be in touch after a week. Thank you once again for your time and consideration.

Respectfully yours,
Logan Thomas
